

Trentini Tirolesi del Minnesota Scholarship

Established April 2003

The Trentini Tirolesi del Minnesota Club was organized in 1995 by the Province of Trento in Northern Italy to reestablish ties to the descendants of emigrants from that area. Applicants for the club's annual scholarship must:

- (1) Be of Trentino descent
- (2) Be a high school senior, or older
- (3) Attend a post-secondary institution within the next year

Qualified applicants are eligible to receive the scholarship only once, but may apply yearly if they have never been awarded a scholarship. Once an applicant has been selected, and the club treasurer has received a transcript of that person's passing grades from a post-secondary institution, the club will issue a check in the honoree's name. The club will also try to recognize that person through the local news media, and in the case of a high school senior, during the school's "Scholarship Awards Program".
