Club notes:

Cookbook:

We are currently contemplating printing a cookbook compiled by club member's recipes. It will not be a fundraiser, but a way to share OUR recipes with other members. You can include any recipe, not just the ones that are of Trentini origins. You could even add short family stories and pictures later. We are hoping to have it ready for our "30th anniversary" celebration. We would love to have all of you contribute your favorites to this project. So, if you have recipes that you'd like to contribute, you could send/email them to Louise Fort or Debbie Corradi at the addresses at the end of the newsletter.

Congratulations:

We would also like to share news or articles from Trentino that would be of interest to others in the club.

We are trying to collect email addresses, so we can contact you easily and send out the newsletters by email. If you would like to share your emails, please send them to Debbie Corradi at ziadeb@gmail.com.

This club originally started as a mutual aid society. We feel that we are all “related “ in one way or another. Because of this, we do not want any Trentini who may be in need, to hesitate to reach out to us for help. It may be as simple as transportation to a place or trying to get you signed up for a vaccine. Perhaps you would like to just visit with someone on the phone because you have been isolated for so long. We will do our best to support you!
